ON THE 2009 INTERIM FINANCIAL INFORMATION

To the Shareholders,

In compliance with the assignment entrusted to us by your Shareholders' Meeting and in accordance with the requirements of article L. 451-1-2 III of the French Monetary and Financial Code (*Code monétaire et financier*), we hereby report to you on:

- the review of the accompanying condensed interim consolidated financial statements of Compagnie de Saint-Gobain for the six months ended June 30, 2009;
- the verification of the information contained in the half-year financial report.

These condensed interim consolidated financial statements are the responsibility of the Board of Directors. As described in Note 1 to the condensed interim consolidated financial statements, and as was the case for the consolidated financial statements for the year ended December 31, 2008, these financial statements were prepared in the context of a sharp deterioration in the economic and financial environment, which makes assessing the business outlook difficult. Our role is to express a conclusion on these financial statements based on our review.

I - Conclusion on the financial statements

We conducted our review in accordance with professional standards applicable in France. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with professional standards applicable in France and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim consolidated financial statements have not been prepared, in all material respects, in accordance with IAS 34 – “Interim Financial Reporting”, as adopted by the European Union.

II – Specific verification

In accordance with professional standards applicable in France, we have also verified the information given in the half-year financial report on the condensed interim consolidated financial statements subject to our review. We have no matters to report as to its fair presentation and its consistency with the condensed interim consolidated financial statements.
